

 caesarstone®

Design freedom. Endless possibilities.

Combining the beauty and strength of quartz - one of nature's strongest minerals, Caesarstone® quartz surfaces retain the cool, tactile qualities of natural stone yet are resistant to stains, scratches and are easy to clean, making them excellent surfaces for kitchens, bathrooms & more.

Caesarstone's online photo gallery and Visualiser tool are an ideal way to explore different colour and design ideas.

Caesarstone® quartz surfaces come with a 10 Year Limited Warranty and a complimentary Caesarstone® Cleaning Kit following online registration.

Nature Inspired

Caesarstone's marble-inspired range of Supernatural designs, make a luxurious statement with the durability and ease of Caesarstone® care and maintenance.

Industrial Inspired

Caesarstone's range of concrete and terrazzo inspired designs with their unique matt surface finishes, offer a sleek and low maintenance alternative and achieve a modern industrial look with all the benefits of a quartz surface.

Edge Profiles: Caesarstone® recommends a minimum radius of 3-4mm on any edge or profile detail for optimal strength and durability.

Slab Weights: 20mm = 220kg (50kg per m²) 13mm = 140kg (32kg per m²) Available in 13mm **Slab Size:** 3,050mm x 1,440mm (Nominal)

Caesarstone® is made from natural quartz and therefore some variation in colour and aggregate may occur. We always recommend making final colour selection from an actual sample or full slab of Caesarstone® as the colours in this brochure are only as close as modern printing methods allow.
